PROJECTS

The Township received a grant this year in the amount of \$64,174 under the Low Volume Roads Project, through the Mercer County Conservation District, for 1,425 feet of West Gilmore Road. This project allows for proper drainage and improves the road’s overall condition. The Township also is providing funds to repair the remaining areas and place Double Seal Coat on the entire road.

Another grant was awarded under the Low Volume Roads Project, in the amount of \$37,400 to Wolf Creek Township, for Driving Surface Aggregate to be placed on 1,540 feet of Old School Road.

We would like to thank Jim Morton (far left) for his years of service. We appreciate his knowledge and commitment to the Township, and he will be greatly missed.

We welcome Chuck Weber (2nd from right) as the new Township Supervisor. Chuck began a 6 year term at the beginning of 2018, and we wish him the best of luck.

Join us at Clean-Up Day and enjoy a complimentary hot dog!!
